

NOTICE TO CAMPERS ENROLLED IN THE BABYSITTING COURSE AT CAMP RIVERWOOD

Please be aware that campers must be 11 years or older to be eligible to receive a Red Cross Babysitting Certificate after successfully completing the Camp Riverwood babysitting course. Campers who do not meet this age requirement will be participating in the same program but will receive a Camp Riverwood Certificate instead which will certify that the camper has completed the babysitting course. Campers are required to bring to the babysitting course a cabbage patch doll or any doll of similar size.

In our babysitting course campers will learn how to prevent injuries and keep children safe, handle an emergency if one happens, feed a baby and change a diaper. Campers will also learn age appropriate games they can play while children are in their care.
